March 23, 2020

The Pennsylvania Department of Education announced today that **all schools in the commonwealth will remain closed for an additional two weeks** as a result of the COVID-19 response efforts. The department also said the closure order could be extended if necessary to save lives and stop the spread of COVID-19.

The Mix at Arbor Place will continue to monitor this situation closely and follow the lead of our local school districts, as well as our state and national leaders as we navigate through this difficult time. Therefore, our offices will remain closed (to the public) and all programs and activities canceled through at least April 6th.

Through it all, our team is still creating opportunities to ***Educate, Engage, Encourage, Equip,*** and ***Empower*** our students and families in creative ways! We know that we will get through this together and will be stronger after it all. We are hopeful that you will continue to support us through your prayers and giving!

Stay tuned to our website and social media outlets for updates.

Kyonna S. Bowman
Executive Director
